Address: Champahati , West Bengal , 743330

ABOUT ME

I’m Soham Patra, a passionate and self-motivated web developer with an academic background in Mechanical Drawing Engineering. I pursued my ITI course (2022–2024) at Ramakrishna Mission Industrial Training Center, Narendrapur, West Bengal. Motivated by a deep curiosity and passion for technology, I made the decision to transition from a non-IT background into the field of software development. I’ve gained hands-on experience in full-stack web development, working with technologies such as HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB. I’m committed to continuous learning and excited to contribute to real-world tech solutions while evolving as a professional developer.

SKILL

- HTML --- Forms , Responsive website , Accessibility , Svg , Semantic HTML etc.
- CSS --- Box Model , Flexbox , Grid , Transitions and Animations , Responsive Design Techniques
- JavaScript --- Variables, data types, and operators Control structures (if statements, loops)Functions and scope Arrays and array methods Objects and object-oriented programming concepts . Callback functions , Promises , Async/await syntax, Timeout & Interval .
- NodeJs --- Experienced in developing non-blocking, event-driven server-side applications using Node.js . RESTful APIs, Database Integration using MongoDB, API Authentication by using JWT

Experience

I worked as a Web Developer at Nimtt Pvt Ltd, where I developed and maintained web applications, collaborated with cross-functional teams, and optimized systems using technologies like HTML, CSS, JavaScript, Node.js, MongoDB and WordPress .
