PROFILE SUMMARY

Passionate and goal-oriented React JS developer with over **2.9 years** of experience in designing and developing responsive, scalable and dynamic web-applications. Experienced in Integrating APIs, optimizing performance, and collaborating in Agile/Scrum teams. Strong knowledge in testing tools such as **Jest** and **React Testing Library**. Recognized for timely delivery, code quality and strong teamwork. Seeking for an opportunity where I can enhance my skills and grow as a developer within a collaborative team environment.

SKILLS

Technical skills:

- **Languages & Web technologies** HTML, CSS, Javascript(ES6), Typescript
- **Libraries & Frameworks** React JS, Redux, Bootstrap, Material UI, Node JS
- **Tools & Platforms** NPM, Git, Jira, GraphQL
- **Testing** Jest, React Testing Library (RTL)
- **Methodologies** Agile/ Scrum
- **IDE & Environment** Visual studio code, Windows OS

WORK EXPERIENCE

Cognizant Technology Solutions, Chennai (Banking and Financial)

27 Aug 2022 - Present

Junior React developer:

- **Redux:** Built scalable components with **Redux** for efficient **state management** across multiple pages.
- **API Integration:** Built conditionally rendered UIs based on workflows, using **React Router** for dynamic navigation and **integrated APIs** for dynamic content rendering and interactive user experiences.
- **Custom Hooks:** Designed and implement **custom react hooks** to simplify **API integration** logic across multiple microapps in Monorepo architecture.

React developer:

- **Cross Skilling:** Closely worked with QA Engineer's to identify, resolve issues promptly and supported them through manual testing during last minute deliverables.
- **Knowledge Sharing:** Mentored junior developers and conducted knowledge-sharing sessions on best practices.
- **Code Reviews and Best practices:** Conducted code reviews and implemented best practices for code quality and maintainability, leading to **25% reduction** in bugs and reported post-deployment
- **Unit Testing:** Wrote unit test cases using **Jest** and **React Testing Library** for reliable bug-free code
- **Agile ceremonies:** Participated in agile ceremonies and contributed to retrospectives and daily stand-ups

ACHIEVEMENTS

- Received "**Rewards & Recognition(R&R)**" Award from Team lead for consistent high-quality performance and impactful contributions to team deliverables.
- Received cheer points from Manager for the successful deployment of a critical project deliverables
- Received cheer points from Scrum master for on-time delivery and efficient, reliable implementation.

CERTIFICATIONS

- Certificate of completion of Microsoft Azure Fundamentals AZ-900

EDUCATION

B.E, Electronics and Communication Engineering,
Kongu Engineering College, Erode | **2018 – 2022**,
CGPA – 8.85
