Profile Summary

Experienced Front-End Developer with strong expertise in React.js, Next.js, and modern CSS frameworks like Tailwind CSS, Material-UI, and Bootstrap. Skilled in developing responsive, user-centric web applications with a solid understanding of component-based architecture and modern web development principles.

Proven success in integrating frontend solutions with Laravel backend services at Volody Pvt Ltd, contributing to high-quality, scalable, and performance-optimized products. Adept at translating design mockups into pixel-perfect, cross-browser compatible interfaces.

A collaborative team player known for delivering results in cross-functional environments, with a focus on clean code, best practices, and continuous improvement. Actively seeking opportunities to build innovative digital experiences and grow within a forward-thinking organization.

Work Experience

Frond End Web Developer
Volody Product
08/2023 - Present

I am a motivated and results-driven Front-End Developer with 2 years of experience building responsive, user-centric web applications. At Volody Pvt Ltd, I have developed dynamic solutions using React.js, Next.js, Tailwind CSS, and Material-UI, translating modern designs into pixel-perfect interfaces. With strong backend integration skills using Laravel and RESTful APIs, I collaborate effectively across teams to deliver high-quality products. I also manage deployments and server environments with precision. Passionate about clean

code, continuous learning, and delivering optimal user experiences, I aim to grow within innovative, forward-thinking organization.

Front End Developer
Mo mantra Pvt Ltd
10/2022 - 08/2023

Highly motivated and detail-oriented Front End Developer with 8 months of experience in building responsive, user-friendly, and visually appealing web applications. Proficient in HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS. Proven ability to write clean, efficient, and well-documented code. Strong understanding of web development principles, modern design trends, and best practices. Excellent problem-solving skills, with a passion for continuous learning improvement.

Associate Engineer
ComUnus Technologies
12/2021 - 06/2022

6 months of experience in building responsive, user-friendly, and visually appealing web applications. Proficient in HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS, php laravel.
